Salem Press Announces the Newest Addition to the Popular *Defining Documents in History Series: The 1910s (1910-1919)*

Defining Documents in American History: The 1910s offers in-depth analysis of a broad range of historical documents and historic events that shaped this decade in American history. This text closely studies more than thirty primary source documents and delivers a thorough examination of events and movements in the U.S. from 1910 to 1919.

This period in American History was a tumultuous one with such important figures as Woodrow Wilson, Margaret Sanger, Henry Cabot Lodge, Jane Addams, and Billy Sunday. Pivotal Supreme Court decisions like *Schenk vs. United States*, *Guinn vs. United States*, and *Hammer vs. Dagenhart* are also analyzed. The most important and memorable event of the decade, World War I, is analyzed closely, including President Woodrow Wilson's address to Congress declaring war against Germany. Domestically, the Prohibition movement and general push for woman's rights are also examined.

Defining Documents in American History: The 1910s is organized under six broad categories

- Domestic Developments
- The War Front
- International Affairs
- Labor and Immigration
- Women's Rights
- African American Affairs

The 1910s contains 38 primary source documents – many in their entirety. Each document is supported by a critical essay, written by historians and teachers, that includes a Summary Overview, Defining Moment, Author Biography, Document Analysis, and Essential Themes. Readers will appreciate the diversity of the collected text, including treaties, letters, speeches, political and religious sermons, laws, pamphlets, diplomatic communications, government reports, and trial notes, among other genres. An important feature of each essay is a close reading of the primary source that develops evidence of broader themes, such as the author's rhetorical purpose, social or class position, point of view, and other relevant issues. In addition, essays are organized by section themes, listed above, highlighting major issues of the period, many of which extend across eras and continue to shape life as we know it around the world.

Each section begins with a brief introduction that defines questions and problems underlying the subjects in the historical documents. A brief glossary is included at the end of each document, highlighting keywords that are important in the study of the primary source. Each essay also includes a Bibliography and Additional Reading section for further research. This volume contains three Appendixes; a Chronological List arranging all documents by year, a Web Resources appendix including an annotated list of websites with supplemental resources, and a Bibliography with helpful articles and books for further study.

About the Series

Defining Documents consists of a collection of essays on important historical documents by a diverse range of writers on a broad range of subjects in American history. The series offers a broad range of historical documents on important authors and subjects in American history, with primary source documents, in-depth analysis, and comprehensive lesson plans that represent the diversity of ideas and contexts that define social, political and cultural subjects throughout American history. *The Defining Documents* series is perfect for students, those researching a particular era, or anyone interested in American History since 1492.

The following titles make up the entire Defining Documents series:

- | | |
|---|---|
| • Exploration and Colonial America (1492-1755) | • The Emergence of Modern America (1868-1918) |
| • The American Revolution (1754-1805) | • World War I (1916-1919) |
| • Manifest Destiny & the New Nation (1803-1859) | • World War II (1936-1947) |
| • The American West (1836-1900) | • The 1910s (1910-1919) |
| • Civil War (1860-1865) | • The 1920s (1920-1929) |
| • The Reconstruction Era (1865-1880) | • The 1930s (1930-1939) |
| • Civil Rights (1954-2015) | • Vietnam War (1956-1975) |
| • The 1950s (1950-1959) | • Ancient World (2700 B.C.E.-c.500 C.E.) |
