Salem Press Announces the Newest Addition to the Popular *Defining Documents* series: *Prison Reform*

Defining Documents in American History: Prison Reform offers an in-depth analysis of over three-hundred years of activism, testimonies, essays, debates, and legislature related to the nation's prison systems. The set spans from the Transportation Act of 1717 to the 2018 Department of Justice Letter on the FIRST STEP Act.

These documents provide a full and engaging review of some of the most controversial and monumental moments in the ongoing fight towards prison reform, and how they still affect us in the present day. The material is organized under six groups:

- **Prisons without Wardens, Walls, or Cells** begins with the Transportation Act of 1717 and concludes with newspaper reports of the shoot-out at the OK Corral.
- **Antebellum Prisons and Prison Reform** includes descriptions and evaluations of the two prison styles of the era: the Auburn (at Sing-Sing and Dannemora) and Pennsylvania Systems (at the notorious Eastern Penitentiary in Philadelphia).
- **Prisons & Prison Reform in the Late Nineteenth & Twentieth Centuries** considers various social and moral concerns, including the treatment of the insane in Nellie Bly's *Ten Days in a Mad-House*; the Declaration of Principles, National Prison Congress; and the Attica Manifesto and Declaration to the People of America.
- **Prisons & Prison Reforms in the 1990s and Twenty-first Century** marks the emergence of Supermax Prisons and includes the Announcement of Second Chance Pell Pilot Program and Department of Justice Letter on the FIRST STEP Act.
- **Wartime Incarceration and Punishment** begins with the Civil War and *Fourteen Months in American Bastiles* and moves through World War II and An Interview with an Older Nisei, and ends with the Executive Summary of the Fay Report.
- **Race, Ethnicity, and Imprisonment** considers The Indian Policy in Its Relations to Crime and Pauperism and The Convict Lease System.

Each document is supported by a critical essay, written by historians and teachers, that includes a Summary Overview, Defining Moment, Author Biography, Document Analysis, and Essential Themes.
