

Great Events from History: The 19th Century

“**Summing Up: Recommended.** Lower-/upper-level undergraduates and general readers.”

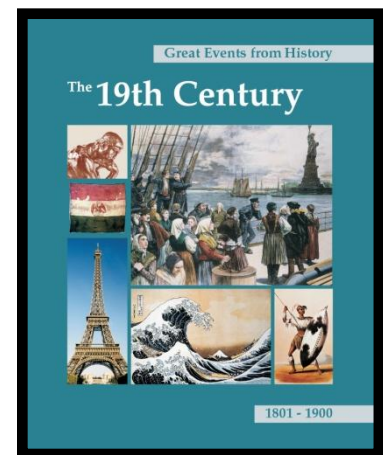

-*CHOICE*, 2007

“This is another of those **helpful references for students needing a good place to start their longer research** and to check items they may find on the Web.”

-*Gale*, 2007

“The **most useful added features of the set are the ‘Keyword List of Contents’** at the beginning of each of the four volume, the assessment of each event’s significance, the annotated lists of further reading at the conclusion of each entry, and the inclusion of primary resources as sidebars when appropriate. **Students and teachers at the high school and college level and patrons of public libraries will find *Great Events from History: The Nineteenth Century* to be very useful.**”
