

CONTENTS

| | | | |
|--|-----|---|-----|
| Publisher's Note | ix | Camouflage | 146 |
| List of Contributors | xi | Cannibalism | 148 |
| Editor's Introduction | xv | Carnivores | 150 |
| Adaptive Radiation | 1 | Cell Determination and Differentiation | 153 |
| Aging | 4 | Circulatory Systems of Invertebrates | 157 |
| Amphibians | 6 | Circulatory Systems of Vertebrates | 162 |
| Animal Adaptations | 11 | Claws, Nails, and Hooves | 165 |
| Animal Aggregation | 15 | Cloning of Extinct or Endangered Species | 167 |
| Animal Bioluminescence | 19 | Coevolution | 170 |
| Animal Cells | 21 | Communication | 175 |
| Animal Courtship | 25 | Communities | 179 |
| Animal Demographics | 29 | Competition | 183 |
| Animal Development: Evolutionary Perspective | 34 | Convergent and Divergent Evolution | 188 |
| Animal Domestication | 38 | Cooperation | 191 |
| Animal Embryology | 42 | Crustaceans | 194 |
| Animal Emotions | 44 | Death and Dying | 197 |
| Animal Evolution: Historical Perspective | 47 | Digestion | 199 |
| Animal Growth | 51 | Digestive Tract | 204 |
| Animal Habituation and Sensitization | 55 | Dinosaurs | 209 |
| Animal Immune Systems | 59 | Displays | 214 |
| Animal Instincts | 62 | Ecological Niches | 217 |
| Animal Intelligence | 66 | Ecology | 221 |
| Animal Kingdom | 69 | Ecosystems | 226 |
| Animal Life of Swamps and Marshes | 73 | Embryonic Development | 231 |
| Animal Life Spans | 75 | Endangered Species | 235 |
| Animal Locomotion | 79 | Endocrine Systems of Invertebrates | 240 |
| Animal Mating | 83 | Endocrine Systems of Vertebrates | 243 |
| Animal Migration | 86 | Endoskeletons | 247 |
| Animal Physiology | 90 | Estivation | 251 |
| Animal Reproduction | 92 | Estrus | 253 |
| Animal Respiration and Low Oxygen | 96 | Evolution: Animal Life | 255 |
| Apes to Hominids | 101 | Evolutionary Origin of Sex Differences | 259 |
| Arachnids | 105 | Excretory System | 262 |
| Arthropods | 108 | Exoskeletons | 266 |
| Asexual Reproduction | 111 | Extinction | 270 |
| Beaks and Bills | 114 | Extinctions and Evolutionary Explosions | 274 |
| Biodiversity | 116 | Felidae | 280 |
| Biological Rhythms and Behavior | 121 | Fertilization | 283 |
| Biology | 125 | Fins and Flippers | 285 |
| Birds | 127 | Fish | 288 |
| Birth | 133 | Food Chains and Food Webs | 293 |
| Bone and Cartilage | 135 | | |
| Brain | 137 | | |
| Breeding Programs | 142 | | |

| | | | |
|--|-----|--|-----|
| Gametogenesis | 297 | Nervous Systems of Vertebrates | 453 |
| Gas Exchange | 300 | Nesting | 457 |
| Gene Flow | 305 | Neutral Mutations and Evolutionary Clocks | 460 |
| Genetic Mutations | 308 | Nocturnal Animals | 464 |
| Genetics | 311 | Nonrandom Mating, Genetic Drift, and Mutation | 466 |
| Grooming | 316 | Nutrient Requirements of Animals | 469 |
| Habitats and Biomes | 319 | Offspring Care | 472 |
| Hardy-Weinberg Law of Genetic Equilibrium | 323 | Omnivores | 475 |
| Hearing | 327 | Osmoregulation | 476 |
| Herbivores | 330 | Packs | 481 |
| Herds | 333 | Pair-bonding | 483 |
| Hermaphroditism | 335 | pH Maintenance in Animals | 485 |
| Heterochrony | 337 | Phylogeny | 489 |
| Hibernation | 339 | Placental Mammals | 493 |
| Home Building | 342 | Plant and Animal Interactions | 496 |
| Homeosis | 344 | Poisonous Animals | 501 |
| Homo Sapiens and Human Diversification | 348 | Pollution Effects on Animal Life | 503 |
| Hormones and Behavior | 355 | Population Analysis | 508 |
| Hybrid Zones | 359 | Population Genetics | 511 |
| Hydrostatic Skeletons | 363 | Predation | 515 |
| Infanticide | 366 | Pregnancy and Prenatal Development in Animals | 519 |
| Ingestion in Animals | 368 | Prehistoric Animals | 523 |
| Insects | 373 | Primates | 529 |
| Invertebrates | 381 | Protozoa | 535 |
| Isolating Mechanisms In Evolution | 384 | Punctuated Equilibrium and Continuous Evolution | 539 |
| Jellyfish | 388 | Regeneration | 543 |
| Lactation | 390 | Reproductive Strategies in Animals | 547 |
| Language | 393 | Reproductive System of Female Animals | 551 |
| Learning | 397 | Reproductive System of Male Mammals | 554 |
| Mammalian Social Systems | 403 | Reptiles | 558 |
| Marine Animals | 407 | Respiratory Systems in Animals | 562 |
| Marine Biology | 411 | Rodents | 566 |
| Mark, Release, and Recapture Methods | 414 | Ruminants | 568 |
| Marsupials | 418 | Savannas and Animal Life | 570 |
| Metabolic Rates in Animals | 422 | Scavengers | 571 |
| Metamorphosis | 425 | Sense Organs | 574 |
| Mimicry | 429 | Sexual Development | 578 |
| Molting and Shedding | 431 | Shells | 581 |
| Morphogenesis | 434 | Sleep | 584 |
| Multicellularity | 437 | Smell | 586 |
| Muscles in Invertebrates | 443 | Social Hierarchies | 589 |
| Muscles in Vertebrates | 448 | Symbiosis | 591 |
